Welcome | Bienvenue

On behalf of town council and our staff, it is my privilege to welcome you to Wasaga Beach.

I want to thank you for choosing to spend time in our town.

If you have visited our community before, we are happy you have decided to return.

Should this be your first time visiting Wasaga Beach, I think you will be pleased to discover all that our town has to offer.

Of course, there is our beautiful waterfront. Wasaga Beach is proudly known as the longest freshwater beach in the world. People make memories on our sandy shoreline every year. The beach is a great spot to read, build a sand castle, soak up some rays, or take a relaxing walk.

Nottawasaga Bay offers great fun, too. Boating, fishing, paddling, waterskiing, and windsurfing are just a handful of the ways you can pass the time.

The Nottawasaga River is another beautiful spot I encourage you to explore. Take a canoe trip down the river and you will see Wasaga Beach from a new perspective.

But our town is so much more than the beach, the bay, and the river.

For example, we have trails that are fantastic for hiking and cycling, regardless of your age and ability. Our trails offer some stunning views, too. Pack a lunch and make a day of it. There is a good chance you will get to see some amazing wildlife while on your journey.

Golfing, skydiving, mini-putt, go-carting, and paintball adventures are some of the many other fun things you can do in Wasaga Beach.

And, if you enjoy shopping, we have some truly fun stores that you can check out. Best of all, our shops are staffed by friendly and welcoming people who are eager to serve you.

Our town is home to some exciting festivals each year and I encourage you to check out the Special Events section of our website at wasagabeach.com to learn more about these opportunities. Building your stay around one of these events is a great way to spend a weekend or longer in Wasaga Beach.

If history is your thing, please check out Nancy Island Historic Site. Founded in 1928, the site features interesting information and displays relating to the War of 1812 and the local 1814 battle that involved three American Schooners and the HMS Nancy.

The Wasaga Beach Archives is another fascinating spot for history buffs. Located at the Wasaga Beach Public Library, the archives contains all kinds of artifacts, photographs, and documents about our community’s long and proud history. Be sure to call ahead to make certain they are open.

Stay up to date on our town by visiting our website at wasagabeach.com. We also post regularly to our Facebook and Twitter pages.

In closing, thank you for choosing to spend time in Wasaga Beach and please accept my best wishes.

Sincerely,

Nina Bifolchi
Mayor of Wasaga Beach

On behalf of the Wasaga Beach Chamber of Commerce, I would like to welcome you to our town. Wasaga Beach is an outstanding place to live, work, and grow a business. Whether you’re visiting for the day, looking for a new place to call home, or you’re already a resident of our thriving community, Wasaga Beach is a quaint little town with a big heart and plenty of opportunities. Our rich and diverse history dates back to the 1820s with the first logging settlers, and the Chamber was established in 1939 to advocate for and support the prosperity of Wasaga Beach and area businesses.

It is an exciting time to be a member of the Wasaga Beach Chamber of Commerce. We are always creating new networking and promotional opportunities to help our member businesses succeed and grow, including space to advertise on the Chamber website, business referrals, monthly After 5 networking opportunities, and continuing education. Other great events that allow our member businesses to gain visibility include Seeking Saga Sam as participation in Snowman Mania, Women in Business Awards in celebration of International Women’s Day, Let’s Paint the Town Blue in support of the Stonebridge Wasaga Beach Blues Festival, our annual Recognition Awards and AGM banquet, and the Holiday Showcase of Homes Tour.

We continue to partner with local government and other organizations to pursue improvements in the overall quality of life for the town, county, and region, particularly in the areas of transportation, education, healthcare, tourism, economic development, community development, and workforce development. Our success in achieving our mission and purpose is due to a collaborative effort from the Chamber Board of Directors, Chamber committees, Town of Wasaga Beach, Chamber members, and area professionals.

Our interactive online business directory is another service the Wasaga Beach Chamber of Commerce provides to the local community. We hope you enjoy this annual Information Guide as we continue to work with our various committees to encourage you to think local, shop local! By supporting the businesses in our directory, you are reinvesting in your community.

To our current Chamber members, thank you for your continued support. For those of you considering relocating your business or opening a new business in Wasaga Beach, you will find that becoming a Chamber member is of great value to you. Wasaga Beach is thriving; join us as we continue to grow!

Colleen Bannerman  
President  
Wasaga Beach Chamber of Commerce
Wasaga Beach Provincial Park Information

From a local....

People often ask for advice about which beach area is best. The truthful answer is all of them because Beach Areas 1-6 are really just one long beach divided into numbered sections. It really depends on what amenities you’d like to have close by.

Beach 1 has bars, touristy beach-themed shops, many town events, and fast food restaurants which tend to appeal to young adults, but it also has the splash pad, burgers and ice cream, which would definitely appeal to kids.

Beach Areas 2-4 have lovely shade trees and areas where you can safely BBQ for a family picnic. There is also a bike trail for active people and a playground for kids.

Wasaga Beach Provincial Park does not permit domestic animals anywhere along the beach front with a small exception at Beach Area 3. Domestic animals are permitted strictly between the two wooden fences that have been erected at the east end of Beach Area 3 parking lot.

Beach Areas 5 and 6 are areas where you will find more seasonal cottage owners, and a few locals who live in cottages which have been converted for year-round use. If you enjoy quieter pursuits such as a scenic walk down Shore Lane, jogging, biking, roller blading, etc. these areas are for you. All of these areas have the same safe, shallow water Wasaga Beach is famous for. Beach Areas 4 and 5 have a playground for kids.

New Wasaga and Allenwood would qualify as beaches in their own right as they are cut off from Beach Areas 1-6 by the mouth of the river, but they are no less popular for seasonal residents and tourists alike. New Wasaga is a place where the beach feels like it goes on forever, and Allenwood is a beautiful little beach town to the north of Wasaga.

Each area has its own charm, they are all scenic and ideal for just the right visitor. It’s best if you assess what your needs are and pick an area that can accommodate those for you.

2 OFF-LEASH DOG AREAS
ACRES OF PARK SPACE
CANOE/BOAT LAUNCHES
1 BMX PARK
1 SPLASH PAD
1 TOBOGGAN HILL
1 SKATEBOARD PARK
1 OUTDOOR SKATING RINK
1 INDOOR YEAR ROUND ICE SURFACE

For more information, call Parks, Events & Facilities at 705-429-3321 or visit wasagabeach.com
Everyone should be able to enjoy Wasaga’s beautiful beaches. The park’s boardwalk, located in Beach Areas 1 and 2, is wheelchair and stroller accessible and provides an unobstructed view of the beach and bay. Shaded picnic tables are located just off the boardwalk in Beach Areas 1 and 2, and Beach Area 1 also has a wheelchair accessible fishing platform providing better access to the Nottawasaga River.

The Town of Wasaga Beach and Wasaga Beach Provincial Park offers access to all-terrain wheelchairs. This wheelchair’s unique patented design allows all four wheels to remain in contact with the ground when going across uneven terrain providing a comfortable ride for its users. These wheelchairs are available through the Park Office for a deposit. For information call 705-429-2516.

In addition, a Mobi-Mat RecPath is offered at Beach Areas 2 and 5. This portable rollout access pathway provides a continuous walkway and enhanced access to the Beach and Bay, assisting pedestrians, wheelchairs, strollers, and bicycles on unstable ground.

All park washrooms have wheelchair accessible stalls and new comfort stations have modifications that make them more accessible to people with disabilities.

Wasaga Beach Provincial Park is pleased to announce there are a number of iPads installed and available at the Wasaga Beach Welcome Centre/Nancy Island Historic Site that will improve accessibility by providing interpretive information in both English and French on these portable units. Visitors will be able to carry the iPads with them as they explore the historic site as well as view the HMS Nancy video without having to access the Theatre fully where there are physical constraints associated with the existing building.
Whether you are craving something savory or sweet, fine dining or a quick bite for the beach, Wasaga Beach has it all! Bring your appetite and discover our culinary delights.

Let me show you the beauty of Georgian Bay living.

Having lived and worked in Wasaga Beach for over 30 years, Michelle knows the beauty of Georgian Triangle living. With a commitment to the community and the support of the RE/MAX team, Michelle has shown many clients that Wasaga Beach and surrounding areas are extraordinary places to live, work and play. Whether you are buying or selling, Michelle can connect you to the beauty of Georgian Bay living.

Michelle Seip 705.446.4046

RE/MAX of Wasaga Beach Inc., Brokerage
The Nottawasaga River

The beach is truly just the beginning in Wasaga Beach! In addition to the pristine sandy beaches located along the southern shores of Georgian Bay, Wasaga Beach is home to the Nottawasaga River, which is rich, both in history, and hydrographic enjoyment. Starting near Alliston, the Nottawasaga River collects and builds from numerous creeks and small rivers for approximately 121 kms until it reaches the rural and then residential areas of Wasaga Beach. Here the river provides a red carpet to view some of the towns most scenic sights before emptying into the waters of Georgian Bay.

The Nottawasaga River provides an abundance of modern day recreational opportunities, permitting the boating use of popular towed water sports such as waterskiing, wakeboarding, and tubing. The long straight sections of the river with calm water are ideal for such activities. Other activities include the growth of Personal Waterfront Craft (PWC) over the years which are favourable for those attempting to access shallower water depths up stream. PWC’s often join the boating community in Georgian Bay as well, to cruise along the extensive shoreline of Wasaga Beach. And the early bird still catches the worm in Wasaga Beach with exceptional fishing as you enter the river mouth all the way up stream to the countless “lucky spots” which continue to be passed down through the generations (see page 28 for more information on fishing and boat launches).

Travelling further up river, the scenery changes to be an ecological habitat to explore wilderness at its finest. For those with an adventurous soul or simply seeking a relaxing day on the water, Wasaga Beach has much to offer in canoeing, kayaking, and stand up paddleboarding, not to mention the simplicity of floating on an inflatable raft. There is a Welcome Centre at Nancy Island Historic Site, it has a small gift shop and washrooms.

Safety on Nottawasaga Bay

Georgian Bay is a vast body of water and conditions can change quickly. If you seek calmer waters, hugging the shoreline is recommended or paddle further out if you’re more experienced and looking for more adventure. Be advised that the winds can change at a moment’s notice and the bay can become extremely rough. The wind tends to come from the west, so paddling from Beach Area 1 towards the escarpment and Beach Area 6 may require additional energy. The bay is sandy and shallow, so as a general rule, try to stay within a four-foot depth; if you get tired, you can always walk back in.

Start planning your next paddling trip by downloading the Paddling Guide at: wasagabeachtourism.com/things-to-do/paddling
Mayflies, killdeer, ring-billed gulls, piping plovers, wormwood, sea rocket, and marram grass share Wasaga’s beach area with millions of visitors each summer. The 14-km beachfront not only provides recreation space for sunbathers and swimmers; it is also a diverse and active ecosystem.

The sand itself is constantly moving due to the effects of wind, waves, and currents from the Bay. These movements change the shape of the landscape, meeting habitat requirements of the wildlife living within. As the sand moves, native beach plants such as Marram Grass and Wormwood help establish freshwater dunes, an ecosystem so rare, that it is considered globally imperilled.

Dunes, beach and shoreline all offer unique components to the wildlife that make the beach their home. Threatened species, like the piping plover need the beach ecosystem for breeding. Although we can protect the species, it takes a community effort to protect the ecosystem they rely on for their survival. Respecting the boundaries of closed beach areas, taking time to walk around beach vegetation, and helping keep the beach clean are all ways in which you can be a part of the community effort.

### The Dunes

An 800-hectare area of dunes has been set aside as a natural environment and nature reserve zone under Ontario Parks – and for good reason! The ancient dunes in Wasaga Beach Provincial Park are extremely fragile. The vegetation cover in these areas is very thin and even the slightest disturbance will expose the sand dunes to erosion. The trampling of many feet and the use of all-terrain vehicles can cause blowouts (disturbed areas where plants are not able to grow back). For this reason, motorized vehicles, fires, and hunting are not allowed in the dunes area.

Approximately 700 different types of plants can be found in the park and four of these are classified as rare in Canada. Many plants are especially adapted to life in the desert-like conditions of the dunes. A walk in this area of the park may reward you with an opportunity to see moccasin flower orchids or the British soldier lichen. Poison ivy is also abundant throughout the park and care should be taken while exploring the park.

Information from: The Friends of Nancy Island & Wasaga Beach Park (www.wasagabeachpark.com). The Friends of Nancy Island Historic Site and Wasaga Beach Park is a non-profit, charitable organization dedicated to furthering the educational and interpretive programs of Wasaga Beach Provincial Park and Nancy Island Historic Site.
Perhaps the best kept secrets in Wasaga Beach are the endless recreation trails for hiking and cycling, in summer, and cross-country skiing and snowmobiling in the winter months. Over 100 kms of on-road and off-road trails are within its borders, managed by the municipality and Ontario Parks. The trails have easy access routes to commercial centres, yet only a few feet away you are once again lost in the beauty of the sand dune system and abundantly forested landscape. Bring your camera and your sports gear, our trail system is unforgettable.

**SHORE LANE TRAIL:**
This waterfront trail connects Wasaga Beach Provincial Park Beach Area 1 to Beach Area 6, providing over 8 kilometers of linear trail which winds along the waterfront using quiet local streets to link each Beach Area. A variety of shoreline residences from rustic cottages to palatial estates can be viewed along the way. There are many opportunities for picnicking, stopping for a swim and renowned sunset viewing along the world’s longest freshwater beach! Other amenities such as shopping and dining are available along Mosley St., an easy walk inland from the trail. Trail surfaces vary widely from quiet asphalt streets and crushed stone paths through forested areas, to sandy beach areas and even includes a wide boardwalk for leisurely walks along the beach. For more information visit wasagabeachtourism.com

**SOME OF THE TRAILS IN WASAGA BEACH:**

**BLUEBERRY TRAIL**

Cycling Routes

The Town of Wasaga Beach has a wide selection of cycling trails (40 km off road and 34 km paved shoulders), but we have featured only one of them here, along with a map. Below it is a brief description of popular trails including their name, difficulty, length and where they begin. To learn more about these trails and to view maps for each one, visit Cycle Simcoe’s website cyclesimcoe.ca.

WASAGA DUNES LOOP:
This bicycle loop follows 12 kms of roads in the Town of Wasaga Beach, using paved shoulders and designated bicycle lanes. Circling the 800 hectare ‘Dunes’ area of the Wasaga Beach Provincial Park, the Wasaga Dunes Loop contains a large system of parabolic dunes, forested with mature oak and pine which create a mosaic of wetland and upland forest habitats. The height of the dunes can be seen from Klondike Park Road, particularly at its intersection with Powerline Road at the south end of the bicycle loop.

CARLY PATTERSON MEMORIAL TRAIL
Difficulty: Easy | Length: 11 km
Start: Wasaga Beach RecPlex - 1724 Mosley St.

THE 7 BEACHES ROUTE
Difficulty: Moderate | Length: 60 km
Start: Wasaga Beach RecPlex - 1724 Mosley St.

IRON BRIDGE ROUTE

March 8: Celebrating Women in Business
April 11: Easter Eggtravaganza (RecPlex)

* Event approved in principle**Anticipated event
Fishing

One of the best fishing locations in Ontario is right here in Wasaga Beach! The variety of species that make Nottawasaga Bay and the Nottawasaga River their home is uncommon for the rest of the province. As the ice retreats, the mouth of the River is bustling with fishermen seeking whitefish, rainbow trout, brown trout and salmon. The Guide to Eating Ontario Sportfish shows that Georgian Bay (Lake Huron) has the cleanest fish of all the Great Lakes.

As late spring arrives, walleye begin their migration into the area. Night trolling in late May on the Nottawasaga River has produced trophies. Nearing the end of June, smallmouth bass become the species most talked about, as they are renowned for being the best pound-for-pound sport fish in the country. August is the month fishermen can experience chinook, coho or pink salmon. As the fall colours appear, the rainbow trout and salmon once again have anglers spending countless hours waiting for the chance to claim a victorious story or spin the yarn of “the one that got away”.

The Nottawasaga River also offers excellent canoeing, with a one-day outing taking you past the steep cliffs of Wasaga’s inland sand dunes. You can participate in the annual Georgian Triangle Trout Derby held each April, as well as the Wasaga Beach Fish & Game Club’s annual Rainbow Trout Derby in October. Nottawasaga Bay is “the reel thing” suitable for many types of watercraft, especially large motorboats, sailboats and windsurfers. Boats can be rented from one of several marinas in the Town of Wasaga Beach.

There are four boat launches in Wasaga Beach:
- Beach Area 1 - has ample parking for vehicles and boat trailers
- Nancy Island - has a boat launch but there is less parking at this location
- Sturgeon Point Marina - at the mouth of the river (350 River Rd. E.)
- Wasaga Marina - on the river (1237 Mosley St.)

Weather and water temperature can dramatically alter the fishing conditions. As a responsible angler, you should be familiar with the seasons, sizes and limits of each species you wish to fish. This information is contained in the Sport Fishing Regulations summary, available at the Ministry of Natural Resources offices and most sport fishing stores or online at www.ontario.ca/page/fishing. Canadian residents between the ages of 17 and 65 require a sport-fishing license to angle in Ontario waters. “Catch and Release” is encouraged to help maintain healthy fish populations for years to come.
Main Street Market

Tucked away at Beach Area 1, Main Street Market is where you are sure to find the buzz and charm of this growing beach community. Locals and tourists alike are spending their days and nights amongst the lights and retro themed trailer business kiosks.

Bright colours bring character and warmth to each unique vendor, while lights string overhead and the smell of yummy food is too enticing to resist. Perhaps you indulge in a midday gelato to cool you down, Caribbean fare with your toes in the sand or a cold beer at the Wasaga Beach Brewing Company Beach Bar as you watch the sunset over Georgian Bay.

Live music, face painting and movie nights under the stars are weekly happenings at Main Street Market and can be enjoyed with friends and family all summer long. We invite you to visit the Chamber of Commerce Kiosk for more information on summer events and how to experience the best of Wasaga Beach.

(Open Victoria Day weekend - Labour Day)

Wasaga Stars Arena

The Wasaga Stars Arena (425 River Rd. W.) is an all season’s facility. Situated on 13 acres of land and consisting of numerous amenities, and in walking distance to restaurants, hotels, shopping, and of course, the beach! The arena is fully accessible as well as having a defibrillator on site with trained staff. The ice surface size is 82 x185 and offers 6 dressing rooms. The upper level of the arena consists of an air conditioned auditorium with a full kitchen, bar and washrooms. The auditorium may be rented for weddings, banquets, tournaments, parties and meetings with a capacity of 180 persons.

For more info: Facilities Foreman
Phil Eichler 705-429-0412
Call 705-429-2247 or visit the Wasaga Beach Chamber of Commerce Information Centre at 550 River Rd. if you have any questions!

A larger format of this map is available at the Wasaga Beach Chamber of Commerce Information Centre at 550 River Rd or the Chamber kiosk at Beach Area 1 Main Street Market.
Nancy Island Historic Site and the story of the British Schooner Nancy, is one of the region’s little known secrets. The Nancy was a fur trading vessel pressed into service during the War of 1812 and was destroyed in battle on the Nottawasaga River, August 14, 1814. Over the years, the sunken hull of the Nancy aided in the formation of an island in the Nottawasaga River. It is speculated that the charred remains of the Nancy came to rest on a small sandbar and that the resulting obstruction impeded the flow of the sand and silt from the river, now known as Nancy Island. While searching the Island on July 1, 1911, the location of the hull was found. The remains were completely encased in earth and it was not until several years later that interest in the site was renewed. In August 1924, Dr. F.J. Conboy discovered an American 24-pounder roundshot (cannon ball). Federal and Provincial Government funds were secured and in 1927 the hull was recovered and placed on the island. On August 14, 1928, the first museum was officially opened to commemorate this episode in the War of 1812.

Structurally, what exists on Nancy Island today began in 1968 with the opening of the Museum of the Upper Lakes. Perhaps the site’s most recognizable feature is the William H. Cranston Electronic Theatre that can be seen from the Mosley Street Bridge. Its’ unique architecture was inspired by a schooner’s sails straining against the winds of the upper great lakes. In 1985, a protective glass enclosure was built for the hull. Today Nancy Island Historic Site keeps the story of HMS Nancy alive through various educational programs and special events.

The Wasaga Beach Welcome Centre ensures that this important Historic Site and Provincial Park continues to be a significant and sustainable national attraction. The Centre provides a facility that functions not only as an orientation to Nancy Island Historic Site and the War of 1812, but also as a Visitor Centre to interpret the rich natural and cultural resources of Wasaga Beach Provincial Park. War of 1812 interpretive displays highlight the 200 years of peace between Canada and United States. The little known story of the HMS Nancy and her crew played a vital role in establishing Canada as a nation and therefore is a vital part of our Canadian heritage.
Get married?

Celebrate your love with family and friends against the glorious backdrop of Georgian Bay. Why travel thousands of kilometres, crossing international borders, when you can experience your destination wedding in Wasaga Beach? We have the luxury of having the World’s longest freshwater beach right here. Just think - 14 km of white, sandy beach, offshore breezes, the sound of the waves, blue skies and gorgeous sunsets. Wasaga Beach will offer you the safe and tranquil atmosphere you deserve on your special day.

From vibrant bridal bouquets arranged by our local florists, to caterers or restaurants that can provide you with a range of styles and budgets that will suit any palate, Wasaga Beach will leave you free to enjoy the moment with your loved ones. Whether it’s a civil marriage ceremony or church wedding, Wasaga Beach offers a variety of options to fit your wishes.

Visit wasagabeach.com for more information on marriage licences, facilities, hall rentals, etc.

Piping Plovers

Piping Plovers are listed as an endangered species in Canada and are regulated under Ontario’s Endangered Species Act. These are shorebirds that may be seen on Wasaga’s beachfront, which provides excellent habitat for them to nest. In general, plovers nest on wide beaches that have some gravel or cobble cover, little vegetative cover and a large distance from nest site to treeline. These sites provide adult birds with clear visibility over long distances. This nesting behaviour may be the result of a predator avoidance strategy. The presence of shells or cobble may indicate higher ground that is less likely to be flooded and is therefore safer.

The presence of Piping Plovers within Wasaga Beach Provincial Park allows park staff to monitor the birds’ behaviour and help the status of the population. Once these birds are spotted on the beach, daily monitoring takes place to note their foraging, nesting, mating, and territorial behaviour. Nest enclosures are diligently set up by park staff to help protect the birds from predation. The presence of Piping Plovers on the beach is great news about an endangered species that may be on its way to recovery with the assistance of humans. Without human intervention, this bird would likely continue to decline in numbers.

For more information about Piping Plovers visit: wasagabeachpark.com.

The BEST of the 70s, 80s & 90s
Although Georgian Bay is an amazing summer destination with the world’s longest fresh water beach, one cannot ignore the beauty, peacefulness and adventure that winter and snow has to offer. As the temperatures drop and cold winds begin to blow off Georgian Bay, it’s tempting just to spend winter inside, not knowing what to do. Put on your hats, gloves, boots and coat and choose from the many outdoor winter events and activities Wasaga Beach offers. You can enjoy the scenic trails and sights or you can hit the hills for a more adventurous thrill! Wasaga Beach offers a prime location to visit, play and stay. Choose from downhill and cross-country skiing, tubing, snowshoeing, tobogganing, snowmobiling, skating and many indoor activities as well.

**CROSS COUNTRY SKIING AND SNOWSHOEING**

Wasaga Beach Provincial Park Nordic Trails provide over 30 kms of groomed trails through forests for all levels of cross country skiing and snowshoeing. Rental equipment, light refreshments, with warm-up, and outback ski shelters are all available. Viewing wildlife can be a treat as white-tailed deer and winter birds are abundant.

**ICE FISHING**

Although Georgian Bay is an awesome destination in the summer, it is also a great location for some hard water ice fishing. The bay usually freezes over completely in winter. Grab your gear and get ready to catch a big one and have some icy fun!

FIND YOURSELF IN NATURE

Just a few minutes from Collingwood, in one of Canada’s 18 UNESCO biosphere reserves, are 370 unspoiled acres of mature hardwood forest. We are here, atop the Niagara Escarpment, where an incredible collection of experiences and memories waits for you and every member of your family.

A Breathtaking World of Adventure in Nature!

NOMINATE YOUR FAVOURITE BUSINESS, SERVICE, OR PERSON HERE:

The Wasaga Beach Chamber of Commerce awards businesses for different categories based on your feedback. Please complete this form if you would like to nominate a Wasaga Beach Business or Business Person. Thank you for helping us recognize these businesses.

Nominations close August 19th, 2019

One nomination per form. Judging will be done by three non-partisan individuals from the Wasaga Beach area. IMPORTANT PLEASE NOTE: STAFF, FAMILY AND SELF NOMINATIONS WILL NOT BE ACCEPTED.

WASAGA BEACH CHAMBER OF COMMERCE BUSINESS OF THE YEAR
Sponsored by: WASAGA BEACH CHAMBER OF COMMERCE
This Award is presented to an outstanding business owner. This recipient will have displayed community involvement or provided a positive experience in our community. Eligible recipients are an active member of the Wasaga Beach Chamber of Commerce and are in good standing and must have been in business for at least 5 years.

TOURISM AND/OR ATTRACTIONS
Sponsored by: MARTIella TUNG SERVICES INC
This award will be presented to an outstanding attraction and/or tourism business, that has improved the allure for the community and for tourists who visit Wasaga Beach. Examples of attraction and tourism businesses include spas, indoor playgrounds, extreme sports or adventures, and/or recreational facilities.

RENOVATED BUSINESS OF THE YEAR
Sponsored by: RE/MAX OF WASAGA BEACH INC. BROKERAGE
The recipient of this award will have done significant upgrades and/or renovations to an existing building. They must be an existing business and have been in business for at least 12 months.

SUPPORTED THROUGH THE SUPPORT OF

ACCOMMODATIONS
Sponsored by: PARKBRIDGE LIFESTYLE COMMUNITIES
This award will be presented to an outstanding accommodation that has provided excellent customer service to the guests that come to Wasaga Beach and stay at their establishment. The recipient of this award will have gone above and beyond to make sure guests have a positive experience. They will have acted as an ambassador for our town. This winner will have been in business for at least 12 months.

NEW BUSINESS OF THE YEAR
Sponsored by: ALTA VISTA PLANNING PARTNERS INC
This new business will have tapered their business to meet or surpass the changing demands of their customers. This business will have been opened for no less than 6 months and no more than 2 years and will have provided a high level of service and/or product needed in Wasaga Beach.

YOUNG BUSINESS PERSON OF THE YEAR
Sponsored by: CENTRE FOR BUSINESS AND ECONOMIC DEVELOPMENT
This award will be given to a young business person under the age of 39, who through their own commitment has built a successful business or contributed significantly to the success of one. This individual will have been an inspiration to a new generation of upcoming young business people. (Must be in business or employed for a minimum of 12 months)

CUSTOMER SERVICE OF EXCELLENCE AWARD
Sponsored by: CANADIAN TIRE WASAGA BEACH
An award will be presented to an outstanding individual, team, and/or employee, who has presented Wasaga Beach with an excellent ongoing level of customer service. This award is open to every type of established business.

ACADEMIC EXCELLENCE AWARD
Sponsored by: GEORGIAN COLLEGE SOUTH GEORGIAN BAY CAMPUS
This Award will be given to any person that has continued their education. The recipient may have gone directly to College or University, or has returned as a mature adult. To be eligible, recipient must be attending or have graduated from the course within the last 6 months.

PUBLIC TRANSIT BUSES

Wasaga Beach Transit operates two routes. Routes 1 and 2 operate 7 days a week from 7am - 9pm.

**Route 1:**
- Starts at the Stonebridge Town Centre, travels along Stonebridge Boulevard to River Road East.
- The bus then travels easterly along River Road East to Archer Road and Cedarlane Drive and proceeds down Cedarlane Drive to Eastdale Drive.
- The bus then travels westerly along River Road East to Zoo Park Road.
- It then travels south on Zoo Park Road to River Road West back to Stonebridge Town Centre.
- It then travels north on Main Street onto Mosley Street heading west to Riverbend Plaza.
- After passing Riverbend Plaza, the bus travels West on Mosley Street to Sunnidale Road South and then turns onto Knox Road West.
- The bus continues along Knox Road West to the Medical Centre on 45th Street. It departs the Medical Centre, passes through the Superstore and Shoppers Drug Mart malls, heads south to Ramblewood Drive and continues west to Lyons Court and Mosley Street. From there it begins its return trip.

**Route 2:**
- Starts at the Stonebridge Town Centre, the bus travels along Main Street to River Road West to the Riverbend Plaza.
- Continuing along Mosley Street to 45th Street where the bus stops at Shoppers Drug Mart, the Medical Centre and the Superstore.
- The bus then continues west along Mosley Street to 71st Street, returning to the Superstore.
- From the Superstore, the bus begins its return trip travelling along the same route in the opposite direction to the Wasaga Stars Arena and then travels west along River Road West to the Stonebridge Town Centre.

**Wasaga Beach Transfers:**
A bus transfer system allows passengers to transfer between routes without paying an additional fare. Transfers are good for approximately 45 minutes. Transfer points are common areas located where the buses meet and are as follows: Stonebridge Town Centre | Riverbend Plaza | Sunnidale Road | Mosley Street | the Medical Centre | the 45th Street Area.
